

Thank you for your order from Revel Wine Brokers!

TL;DR: Please always submit payment to the winery (supplier) that is listed on your invoice.

Paying invoices under the Broker Model

Please note that you may receive multiple invoices for a single order, each from a separate winery (supplier) that we represent. As we are the broker for each supplier, we do not own the wines being delivered and therefore payment must be made to the winery listed on each invoice. This applies to all forms of payments you may use; Checks, ACH payments, Melio on www.revelwine.biz, Bill.com, Fintech, etc. Paper checks for all wineries should be mailed to: PO Box 11106 Oakland, CA 94611.

You may notice that you receive invoices that are payable to Revel Wine LLC. This is a separate distribution company and is not a part of Revel Wine Brokers, they cannot accept payments for brokered wineries. Below you will find a list of all of our brokered wineries and our distributed wineries.
